Deal Registration Process

01

MEET REQUIREMENTS

For deal registrations to be accepted, the customer's contact information must include a valid company domain (personal email providers such as Gmail or Yahoo are not permitted).

Additionally, the following minimum requirements apply for the below products:

- ✓ MDR and XDR: A minimum of 50 endpoints and/or
- ✓ Minimum $1,000 MRR for any and all solutions

02

CHOOSE YOUR SUBMISSION METHOD

You can submit your deal registration by either:

Email

- Contact your Channel Director via email with the required information. If you do not know your Channel Director, please email your deal registration to partner@agileblue.com.
- If you're submitting via email, ensure you attach all required details (outlined in the form linked below)

Online Form

- For faster response, use the AgileBlue Deal Registration form by clicking the button below.
- If using the form, click "Submit" after filling in the necessary fields.

03

SUBMIT DEAL REGISTRATION FORM

After submitting the deal registration, our Channel Sales team will review and qualify the opportunity within 24 hours. They will notify you if additional information is needed or confirm that the deal has been successfully registered.

Final Note

Once a deal is registered by an advisor and moved to a late sales stage (defined as an active or completed POC and/or contract negotiations), no other agent or channel can register or compete for the same deal for a minimum of 90 days.
